TEAM INFO

TEAM PRACTICES

Regular weekly team practices will be held from 6:15 to 8:15, on Tuesdays and/or Thursdays. Teams will be assigned to specific days after the tryout process is completed and teams are formed! These weekly practices are **MANDATORY**, and punctuality is **A MUST!**

TEAM TUMBLING CLASSES

Every member of a 5 Star competitive team will have a tumble class each week. In almost all cases, this tumble class will be on a day aside from their team practice.

EXTRA PRACTICES

Each year, we add another practice to our team's weekly practice schedule. This season, that day will be Saturday. The 1st of these extra practices will happen on September 10th. The complete yearly schedule will be sent out when teams are announced. These extra practices are also **MANDATORY**.

WHAT TO WEAR

Athletes will receive details on what to wear to each team practice, and they will be allowed to free dress for their weekly tumble class! Making sure you keep up with their attire, and have it ready each week for practice. This is a crucial part of creating the right competitor mindset.
